

# **WHAT'S YOUR 2020 VISION FOR A FAIR, CLIMATE-SAFE MANCHESTER?**

Survey by the “Call to Real Action” for its “Action Plan.”. [www.calltorealaction.wordpress.com](http://www.calltorealaction.wordpress.com)

**U  
CAN  
MAKE  
THE CITY  
CLIMATE SAFE**

1. What is the post-code where you live at the moment?
2. Manchester City Council is facilitating the writing of a “Climate Change Action Plan” to reduce Manchester's emissions. It's published in November: what is the single most important thing that they should be looking at?

3. What methods should the Council use for engaging with members of the public on climate change?

4. Tell us a bit about your “2020 vision of a sustainable and fair Manchester.”

**MORE QUESTIONS OVER THE PAGE!**

5 What sorts of things could be done **LOCALLY** (i.e. within half a mile of your house) to reduce greenhouse gases and/or prepare for the changes that climate change will bring?

5a. What do you think are the major obstacles to the things you listed in the question above?

6. What sorts of things should “activists” and campaigners be doing to raise awareness of climate change. and lower greenhouse gas emissions in Manchester? Give any specific examples of good (or bad!) campaigns and activities that you are aware of.

7. Other comments: [your chance to say anything you haven't already. If you want to receive more information about getting involved, then you can give us your email address. We will **not** share it with anyone- not the Council, not any other campaigning group etc.]

COME TO OUR MINI-CONFERENCE ON Saturday 10<sup>th</sup> October, at the Friends Meeting House, 6 Mount St, Central Manchester
